

PhotoBooth Mobile App Signup Flow Design

Introduction

This document provides a detailed overview of the signup flow design for the PhotoBooth mobile application. The aim is to create a smooth and engaging user experience that encourages new users to sign up and start using the app.

Design Overview

The signup flow consists of a series of screens that guide the user through the process of creating an account. The flow includes:

1. **Intro Screens:** Three introductory screens explaining the benefits of using PhotoBooth.
2. **Signup Screen:** A form for users to create a new account.
3. **Signin Screen:** A form for existing users to log in.

Color Palette

The color palette for the signup flow is designed to be modern and inviting, with a focus on deep, rich colors that create a sense of luxury and professionalism.

- #AE8799(Primary Color)
- #E17F6A (Secondary Color)
- #471733 (Accent Color)
- #383A50 (Text Color)
- #0A0A14 (Background Color)

Typography

- **Headings:** Krona One, Regular, 24pt
- **Body Text:** Inter, Regular, 18pt
- **Buttons:** Inter, Medium, 20pt
