    - **Title**: "Menu"
    - **Search Bar**: Allows users to search for menu items.
    - **Cart Icon**: Indicates the shopping cart.
  - **2.Category Navigation**: Tabs for "All", "Breakfast", "Lunch", "Dinner", "Treats".
  - **3.Menu Items Display**: Grid layout showing various dishes with:
    - **Image**: Picture of the dish.
    - **Name**: Dish name (e.g., Pear & Orange).
    - **Preparation Time**: Estimated preparation time (e.g., 20 min).
    - **Rating**: Star rating (e.g., 4.8).
    - **Price**: Cost of the dish (e.g., 25.00$).
- **Item Detail Screen**
  - **Image**: Large picture of the selected dish.
  - **Name**: Dish name (e.g., Pear & Orange).
  - **Price**: Cost of the dish (e.g., 25.00$).
  - **Details**: Description of the dish's flavors and ingredients.
  - **Recently Viewed Section**: Carousel of recently viewed items with images and names.
  - **Add to Cart Button**: Prominent button to add the item to the cart.
  - **Footer Navigation**: Icons for menu navigation, favorites, cart, and profile.

Color Palette

The color palette for the restaurant menu app is designed to be visually appealing and inviting, with a focus on light, rich colors that create a sense of luxury and professionalism.

- #F59F00(Primary Color)
- #333333(Secondary Color)
- Text and button colors are these only two colors depending on the background color

Increasing or decreasing the opacity of colors where needed.

Typography

- **Main Heading**: Anton, Regular, 64pt
- **Secondary Headings:** Archivo Black, Regular, 24pt
- **Body Text**: Arbutus Slab, Regular, 16pt
- **Buttons**: Archivo Black, Medium, 15pt
